Re: The Electron Probe Analysis Society
of America, Inc.

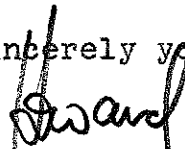

Dear Paul:

Enclosed you will find a letter from the Department of Taxation, State of New York advising that Electron Probe is exempt from New York State and local sales and use tax. I would suggest that you use photostatic copies of this letter, together with the exempt organization certificate, several copies of which are enclosed for your convenience.

I also received the Federal Employer Identification number which apparently is written for computers as opposed to people. The original form is enclosed herein for your records. I have retained a copy for my files.

With kindest regards, I remain

Sincerely yours,

Howard B. Present
